TOWER HOUSE MANOR AT COURT
HOUSE FARM & GARDENS

LOCATION

Our Historic and Bohemian garden hamlet and buildings are available to hire; for film, stills, promotional events, launches etc etc...(even weddings- just ask for the brochure).

The site and its medieval/ Tudor Manors and outbuildings have been renovated over the last 5 years, but much of their age and patina has been kept, plus we have an eclectic mix of props, wall finishes and furniture.

As well as the two manors we have a rustic cowshed, huge barn, stables and other smaller workshops and sheds. We have a coffee bar and meeting room available by arrangement. There is easy access, plenty of space plus masses of parking and lovely gardens with more than 4 acres to spread into.

We can even offer accommodation in Tower house manor with up to 6 bedrooms and at our sister property with up to 8 bedrooms and of course catering to suit all needs if required.

Court House Farm would make an ideal location for all film and photography requirements. Plus we are within striking distance of Bristol and the M5.... and we are able to be adaptable and creative to suit your needs.

MORE INFORMATION

Transport - we are close to junction 19 of the M5.
we have parking for 20+ cars, plus large vehicles. For a very large group, we can suggest a nearby free car park and there's lots of safe on road parking too.

The site is available all year, some of the outbuildings are chilly in winter, but the large Cowshed does have a warm air blower and of course the Manors are heated

We can offer self serve facilities, or hire in a barista and preferred suppliers to make you refreshments and any catering for special events
